LUKOIL SUSTAINABILITY REPORT FOR 2023 WINS AN INTERNATIONAL AWARDS

LUKOIL Group Sustainability Report receives its second in a row Global Corporate Sustainability Awards.

The Company was named among the best in the Sustainability Reporting category. LUKOIL's report for 2022 had also previously received this award. The judging panel assessed the document by three main criteria: completeness, credibility, and communication.

The contest united companies from 18 countries across several regions: North America, Asia, Northern and Western Europe.

Information:
In 2024, the Global Corporate Sustainability Awards reached its 7th year. The contest jury includes top-level managers and academia members who specialize in sustainable development. The judges are from the USA, Germany, the Netherlands, and countries of the Asia-Pacific region.
